NOTES:

This plan is prepared for MAB from a field survey for the purpose of designing new constructions on the land and should not be used for any other purpose. For complete Survey see 2190528-DETAIL-C.dwg
 The Title boundaries have been surveyed.
 Prior to any demolition, excavation or construction on the site, the relevant authorities should be contacted for the location of underground services. Footing locations and subsurface structures have not been located.
 Any digital data forwarded by Landair Surveys must not be altered in any way without prior approval of Landair Surveys. The data may be copied and then manipulated as required.
 This note is an integral part of the plan.
